

Fouse Could Win \$50,000

As you do your part at home, our faculty and staff members are doing their part every day to help give students an environment to play, create and explore. Earlier this year, Fouse Elementary was nominated for a *Power a Bright Future* grant from The Clorox Company in hopes of securing up to \$50,000 in funding for 21st Century technology for our school.

After a competitive national nomination period, now is the time for our school community to show its support. Help Fouse win up to \$50,000 by casting votes starting Nov. 5, 2012 through Dec. 12, 2012 at 11:59pm EDT.
